Pray, Give, Go

Thank you for your ongoing support of missions both collectively as a church body and individually. I'm encouraged weekly as I hear stories about people in our city hearing the Good News of Jesus through the ministries of Care Effect. We get the opportunity to participate in the work of God's Kingdom when we Pray, Give, and Go. Here are some ways you can continue to be involved:

Pray: There are prayer cards for some of our Care Effect ministries and ministry partners available in the lobby at the Care Effect Wall. Pick those up and commit to pray for the work that God is doing through these different ministries. There are also prayer guides for international missions available at the desk under the world map. Use those to pray for missionaries and the work of God around the globe.

Give: You can still make your pledge to the Global Impact offering or give using the green envelopes.

Go: There are Christmas Go Projects available at the Care Effect Wall in the lobby. Go by participating in these special Christmas opportunities. Go by celebrating Christmas at one of our Care Effect parties on December 18. Go by serving at one of our Care Effect sites. Go by joining one of our international trips to Ghana or Lesotho in 2020.

Email andrew@fbno.org for more info.

Grace and Peace,

Andrew Crosby, Minister of Missions
